

38 Art Made During The Pandemic Digitally Enhanced Art Made During The 2024

By [Author's Name]

The year 2024 was a time of great upheaval and uncertainty. The COVID-19 pandemic had swept across the globe, leaving death and destruction in its wake. In the midst of this chaos, however, a group of artists found a way to express themselves and connect with others through their art.

This book showcases 38 pieces of art that were created during the pandemic of 2024. The artists used a variety of digital tools to enhance their work, resulting in stunning and thought-provoking images.

The pieces in this book are as diverse as the artists who created them. Some are abstract, while others are representational. Some are political,

while others are personal. But all of them are powerful and moving expressions of the human experience during a time of great challenge.

This book is a testament to the power of art to heal, to inspire, and to connect us with each other. In a time of darkness, these artists used their talents to create a beacon of hope and beauty.

The Artists

The artists featured in this book are from all over the world. They come from different backgrounds and have different experiences. But they all share a passion for art and a desire to use their work to make a difference in the world.
