The second chapter, "The Olmsted Era," features photographs of the park's transformation into a landscaped park, under the direction of Frederick Law Olmsted, Jr. The third chapter, "The CCC Era," features photographs of the park's development during the Great Depression, when the Civilian Conservation Corps (CCC) built many of the park's trails and structures. The fourth chapter, "The Modern Era," features photographs of the park in the post-World War II years.
