In the dark and twisted world of DS Jenna Morgan, nothing is as it seems. A serial killer is on the loose, leaving a trail of bodies in their wake. Detective Sergeant Jenna Morgan is tasked with hunting down the killer, but she soon finds herself drawn into a web of deception and danger.

As Jenna investigates, she uncovers a series of disturbing connections between the victims. Each one seems to have been chosen for a specific reason, and Jenna begins to suspect that the killer is motivated by something more than just random violence.

With each new clue, Jenna gets closer to the truth. But the killer is always one step ahead, and Jenna soon realizes that she is not just hunting a serial killer, but a psychopath who is determined to play a deadly game.

As the body count rises, Jenna must race against time to stop the killer before they strike again. But can she do it before she becomes the next victim?
