Stockton's Little Manila was once a thriving hub of Filipino American life. The community was home to dozens of Filipino-owned businesses, restaurants, and churches. It was also a center for Filipino American culture and activism. However, in the 1960s and 1970s, Little Manila began to decline as Filipino Americans moved to other parts of the city and the suburbs. Today, only a few remnants of Little Manila remain.

Little Manila Is In The Heart is a testament to the resilience of the Filipino American community in Stockton. The book tells the story of the people who built Little Manila and the challenges they faced. It also celebrates the community's rich culture and traditions.

The book is divided into three sections:

- The first section, "The Heart of Little Manila," tells the story of the community's founding and its early years.
- The second section, "The Soul of Little Manila," explores the community's culture and traditions.
- The third section, "The Legacy of Little Manila," examines the community's decline and its lasting impact on Stockton.

Little Manila Is In The Heart is a must-read for anyone interested in Filipino American history and culture. The book is a beautiful and moving tribute to a community that has faced many challenges but has never lost its spirit.

### **Praise for Little Manila Is In The Heart**

"Little Manila Is In The Heart is a beautiful and moving tribute to a vibrant community. The book is filled with personal stories, historical photographs, and beautiful artwork that captures the spirit of Little Manila." - The San Francisco Chronicle
