More Than Treatment is a groundbreaking book that offers a holistic approach to cancer care. It provides patients and their loved ones with the information and tools they need to navigate the cancer journey with confidence and hope.

The book is divided into three parts.

1. **Part One: Understanding Cancer** provides an overview of cancer, its causes, and its different types. It also discusses the conventional medical treatments for cancer and their potential side effects.
2. **Part Two: The Holistic Approach to Cancer Care** explores the many different ways to complement traditional medical treatments with holistic therapies. These therapies include nutrition, exercise, mind-body techniques, and spiritual care.
3. **Part Three: Living with Cancer** offers practical advice on how to cope with the emotional and practical challenges of living with cancer. It also discusses the importance of support from family and friends.

More Than Treatment is a valuable resource for anyone who is facing cancer. It provides a comprehensive overview of the disease and its treatment options, and it offers practical advice on how to live with cancer with confidence and hope.

What Readers Are Saying
