Written in a clear and accessible style, this book covers all the essential topics of philosophy, from the nature of reality to the meaning of life. You'll learn about the different branches of philosophy, the major philosophers, and the key concepts that have shaped Western thought.

Philosophy Basics is the perfect book for anyone who wants to learn more about philosophy but doesn't know where to start. It's also a great resource for students who are taking a philosophy course.

What's inside Philosophy Basics?

- A clear and concise to the major branches of philosophy
- Profiles of the most influential philosophers, from Socrates to Nietzsche
- Explanations of key philosophical concepts, such as reality, knowledge, and ethics
- Thought-provoking questions to help you engage with the material
- A glossary of philosophical terms

Who is Philosophy Basics for?

Philosophy Basics is for anyone who wants to learn more about philosophy, regardless of their background or level of education. It's perfect for:

- Beginners who want to get a basic understanding of philosophy
- Students who are taking a philosophy course
- Anyone who is curious about the big questions of life
