

The Best Of Thomas Sowell: A Must-Read for Anyone Interested in Politics, Economics, and Society

Thomas Sowell is one of the most important public intellectuals of our time. His essays on race, economics, education, and culture are essential reading for anyone who wants to understand the world around them. Sowell is a master of clear thinking and incisive analysis, and his work is always thought-provoking and challenging.

The Best Of Thomas Sowell is a collection of some of Sowell's most insightful and provocative writings. The essays in this volume cover a wide range of topics, from the history of affirmative action to the role of culture in economic development. Sowell's insights are always fresh and original, and he is never afraid to challenge conventional wisdom.
