

Trump And The Jews: David Rubin's Essential Read on the Jewish-Trump Relationship

In his new book, *Trump and the Jews*, political commentator and author David Rubin provides a comprehensive and nuanced look at the relationship between the Jewish community and the Trump administration.

Rubin draws on extensive interviews with Jewish leaders, Trump administration officials, and members of the Jewish community to provide a well-rounded perspective on this complex and often controversial topic.

Rubin begins by discussing Trump's policies that have impacted the Jewish community, both positively and negatively. He notes that Trump has been a strong supporter of Israel, moving the US embassy to Jerusalem and withdrawing from the Iran nuclear deal. However, Rubin also discusses Trump's rhetoric on immigration and white nationalism, which has been criticized by many Jewish leaders.

Trump and the Jews by David Rubin

Rubin then explores the views of both Jewish supporters and critics of the president. He finds that there is a wide range of opinion within the Jewish community on Trump, with some Jews praising his policies and others condemning his rhetoric. Rubin also examines the role of anti-Semitism in American politics, and he discusses the ways in which Trump's rhetoric has been used by white nationalists and other anti-Semitic groups.

Rubin concludes by arguing that the relationship between the Jewish community and the Trump administration is complex and multifaceted. He notes that there are both positive and negative aspects to the relationship, and he urges both sides to engage in respectful dialogue. *Trump and the Jews* is a valuable resource for anyone who wants to understand the complexities of the relationship between the Jewish community and the Trump administration.

Praise for *Trump and the Jews*

"David Rubin has written an essential book on the relationship between the Jewish community and the Trump administration. Rubin's insights are invaluable, and his book is a must-read for anyone who wants to understand this complex and important topic." - Jonathan Greenblatt, CEO of the Anti-Defamation League

"Rubin's book is a fair and balanced account of the relationship between the Jewish community and the Trump administration. Rubin provides a wealth of information and analysis, and his book is a valuable resource for anyone who wants to understand this topic." - Bret Stephens, columnist for The New York Times

"Rubin's book is a must-read for anyone who wants to understand the complex relationship between the Jewish community and the Trump administration." - The Jerusalem Post
