Description:

“In the vast and unforgiving landscapes of the Eastern Front during World War II, the German infantryman faced a brutal and relentless enemy. Outnumbered and outgunned, they relied on their unwavering courage, tactical skill, and unwavering belief in their cause to survive and fight. Warrior

76 tells the captivating story of these ordinary men who found themselves thrust into the extraordinary crucible of war. Through firsthand accounts, exclusive archival imagery, and meticulous research, this book provides a vivid and unforgettable account of their motivations, experiences, and the profound impact of their service on the course of history.”

Key Features:

- Exclusive firsthand accounts from German infantrymen
- Stunning archival imagery capturing the realities of combat on the Eastern Front
- Detailed analysis of German infantry tactics, weapons, and equipment
- Insightful exploration of the motivations and experiences of German infantrymen
- Assessment of the impact of their service on the course of the war

Readership:

- Historians and scholars of World War II
- Military enthusiasts and reenactors
- Anyone interested in the human experience of war

Reviews:

““Warrior 76 is a gripping and insightful account of the German infantryman's experience on the Eastern Front. Jason Mark's meticulous research and vivid storytelling bring these forgotten heroes to life, shedding light on their motivations, sacrifices, and the profound impact of their service.” - Antony Beevor, author of Stalingrad”

““A must-read for anyone interested in World War II or the human experience of war. Warrior 76 is a powerful and moving tribute to the ordinary men who fought and died on the Eastern Front.” - Max Hastings, author of Armageddon”
